Our Mission

The Tragic Reality

Over 60 million unborn babies have been victims of abortion in the United States since its legalization in 1973. That’s 1.3 million babies each year or 3,600 babies each day killed by abortion in the United States.

In Cook County, Illinois, one out of four pregnancies ends in abortion. In 2017, a reported 21,288 babies were victims of abortion. That’s 59 abortions each day or one baby aborted every 25 minutes in Cook County.

With dozens of abortion clinics in the city of Chicago, Aid for Women’s pregnancy care centers are on the front line of the abortion battle. Aid for Women provides a safe refuge from abortion providers for thousands of women who are facing unexpected pregnancies. These women contact our 24-hour pregnancy helpline and visit our centers every day:

“Where can I get a free abortion?”
“Do you offer the abortion pill?”
“My parents will kick me out if I have this baby.”
“I can’t afford to have a baby.”
“I’m in college. I can’t have this baby.”
“I’m already overwhelmed with the children I have.”

The women who come to Aid for Women for help are the inner-city teenager, the married and college-educated woman in her thirties, and every woman in between. The road that leads them to Aid for Women is a difficult one, and they face a tough journey ahead. These young abortion-vulnerable women live in a society that has failed to protect them and the life in their womb.

AID FOR WOMEN 2018 RESPONSE

4,906 Pregnant Women in Crisis Served
1,787 One-on-One Counseling Sessions
4,209 Nights of Housing at Heather’s House and Monica’s House
$ 74,108 Material Goods Provided
$-0- in Government Funding
Dear Friends of Aid for Women,

I am pleased to share our annual report for 2018. On October 6, 2018, Aid for Women turned forty years old! We remembered our founders – Deacon Thomas Bresler, Nancy Corbett, Penny Crowley, Mary Kraychy and Mona Lukas – and all those who have built up this ministry over four decades. At our 40th Anniversary Dinner in October, we celebrated tens of thousands of lives saved since 1978. The event raised $226,790, which was our most successful fundraiser ever! With your help, we will continue to aid thousands of women in unexpected pregnancies each year, for many decades to come.

Today and looking forward, our work on the front lines of the abortion battle is needed more than ever. We must remain vigilant. In January of 2018, Planned Parenthood opened a new surgical abortion clinic in south-suburban Flossmoor (see page 5). A Carafem abortion clinic opened in October of 2018 in suburban Skokie, Illinois. Moreover, as I write this letter, there are bills moving through the Illinois State Capitol that pose an even greater threat to innocent lives in the womb, throughout the entire pregnancy, even until the day of the baby’s birth.

In these pages, you will find more information about all the blessings showered upon our organization during the past year. We are especially grateful for all the benefactors and volunteers who have contributed to our critical life-saving work. We accept no government funding, as doing so would interfere with our ability to share our faith at our centers and to offer a faith-centered environment in our maternity homes. We rely solely on the generosity of individuals, parishes and foundations. Please know that your support has saved many lives!

May God continue to bless you abundantly for your generosity. Please keep us in your prayers as we remember your intentions in ours.

For Life,

Susan R. Barrett, Executive Director

Residential Programs

Many Aid for Women clients consider abortion because they lack adequate housing or will be otherwise homeless if they choose life.

HEATHER’S HOUSE
Located on the Maryville Academy Campus in Des Plaines, Illinois, Heather’s House provides a safe and nurturing home where pregnant women and their babies can live. Heather’s House offers residents an opportunity to develop the life skills, education and job skills necessary to become independent and loving mothers.

MONICA’S HOUSE
Located at St. Pascal Church in Chicago’s Portage Park neighborhood, Monica’s House serves as a transitional home for Heather’s House residents who have had their babies and are either going to school or working. Monica’s House provides these new mothers greater independence, while they work toward completing their goals.
Blessed to Serve

The light shines in the darkness, and the darkness has not overcome it. — John 1:5

“Many of the women who come to us for help are in survival mode. They are experiencing a lot of trauma. In that first one-on-one session, I remind them that it’s just you and me, and let me help you get through this. Every woman has her own story. I want her to be able to trust me with the things that she cares about in their heart, and I want her to feel safe.”
Alane Malicay
Center Manager with Miracle and Reyna

“The Breath of God, The Most Precious Gift — suffice and push me to support and stand by those women who choose to bring forth Life into this world. Their determination, courage, and aspirations motivate and encourage me to render my service in the best way possible. There is a sense of joy and satisfaction in being with the moms and children and sharing my life with them.”
Sister Maria Chettiar, SMMI Residential Program with Brianna

“From the time a resident comes to Heather’s House until she leaves, the most important job of our entire staff is to remind her that both she and her baby are loved beyond measure and that they are both a joy and delight to our loving God. We are able to serve these families in so many remarkable ways, but that is the greatest, most powerful service we give them. To share love.”
Faith Bohlin
Residential Program Manager with Monica and Ayden

We Won’t Stand By

Devastated by the opening of a new Planned Parenthood clinic in their community in early 2018, several concerned individuals came together to form the Southland Coalition for Life. Aid for Women and Southland Coalition for Life quickly formed a partnership to establish a new pregnancy care center at 3347 Vollmer Road in Flossmoor, Illinois, right next door to the Flossmoor Planned Parenthood clinic.

Fundraising and construction took place throughout 2018. The ribbon-cutting ceremony was held on February 24, 2019, with over 100 guests, including many community pro-life leaders. Since opening our doors, we have already helped several abortion-vulnerable and abortion-minded young women in this community, who now have a true choice when facing unexpected pregnancies.

Aid for Women expresses our deepest gratitude to the Southland Coalition for Life, Knights of Columbus Supreme Council and St. Francis of Assisi Orland Park Council No. 16369, Operation Nehemiah, Tonn and Blank Construction, and the many churches, organizations and individuals for all the efforts and support in establishing the new Flossmoor center.
Volunteers are the heart and core of Aid for Women! Without their time, talent, and dedication, we could not impact the lives of so many. In 2018, the individual volunteers who support our pregnancy care center and residential programs gave an astounding 7,723 hours of service to Aid for Women’s mission of serving God by promoting and defending life. We are deeply grateful.

Miracle and Reyna

Twenty-year-old Miracle shares her story — “While looking for someplace where I could go to confirm my pregnancy and learn more about my options, I found Aid for Women and made an appointment at their Des Plaines location. I was feeling nervous and scared, but my Client Advocate, Alane, made me feel safe and reassured me that everything would be OK. Seeing my baby on the ultrasound convinced me that abortion was not the option for me, and I became excited and eager to learn more about my baby. Alane guided me in starting my prenatal medical care.

“It’s been hard but having the right support has been very helpful. Reyna is now two months old, and I am looking forward to getting back on track with work and school. My hope is to provide my baby with a life full of love and happiness.”

Noel and Michele Moore

“We are the parents of five children and know full well the joys and challenges of parenting. We have served on several nonprofit boards and see in Aid for Women a rare small philanthropic cause that makes an out-sized impact in a community.

“When young women arrive at an Aid for Women care center, they are alone and at their most vulnerable, coming to grips with the conflicting emotions of an unexpected pregnancy in a world that often responds with indifference, if not outright hostility.

“Aid for Women steps into the breach, providing critical education to women, who may have the strength and love to bring their child to term, but are in desperate need of professional support. With patience and compassion, Aid for Women staff helps clients begin to grasp the awesome potential and responsibility of new life from the moment they witness the beating heart of their child. They assure each mother-to-be that she is not alone by providing emotional and spiritual support, guidance in starting prenatal care, and a safe place to live if needed.

“Michele has actively worked shoulder-to-shoulder with many volunteers working to raise funds and to help realize the mission. Our witnessing of the record breaking success of last year’s 40th Anniversary Dinner and experiencing the optimism and excitement of the grand opening of the new Flossmoor pregnancy care center confirms that Aid for Women will make an impact in the lives of young expecting mothers for years to come.”

Christmas Celebration

Our annual Client Christmas Party took place on Saturday, December 8, 2018, at the Monsignor Thiele Center in Chicago’s Wicker Park neighborhood. It was a very special reunion and celebration of life with current and past Aid for Women clients and their families. Attendees enjoyed a warm lunch buffet, performances, children’s crafts and a visit and gifts from Santa.

We express our deepest thanks to Deacon James Norman (Santa), Rosa Perez for preparation of the delicious lunch, the many volunteers and all those who provided Christmas gifts and monetary donations to make this year’s event a great success.

LaVenita and Mia
Aid for Women recently reconnected with LaVenita after almost 30 years. LaVenita shares her story — “I first came to Aid for Women in 1989 with an unexpected pregnancy. I had recently lost my job and was not married to the father of my baby. I was feeling alone and overwhelmed when I saw an ad for Aid for Women on the train and called their center for help.

“I am very grateful for all the support that I received to move forward with my pregnancy and for the maternity clothes, crib and baby items that I was given. After the birth of my daughter, Mia, I finished my college education and worked as an elementary school teacher for twenty years. Mia, is now 29 years old and has two young daughters of her own.”

It’s amazing to think that a young woman whom Aid for Women helped so many years ago is now a grandmother! (Photo left - Baby Mia in 1990 in crib given by Aid for Women. Photo right - LaVenita today with daughter Mia and granddaughter.)
Patrick E. Kelly
Deputy Supreme Knight, Knights of Columbus
“The wonderful work of Aid for Women gives the abortion-vulnerable woman the opportunity to recognize that this baby – her baby – has a dignity and a humanity that is no different than her own. You are changing hearts and minds one woman, one mother, at a time.” (Photo - Patrick E. Kelly, Praesidium Vitae award recipient, speaks at our 40th Anniversary Dinner on October 3, 2018)
The Salesian Sisters of Mary Immaculate

It is a very special and grace-filled time at Monica’s House, Aid for Women’s vibrant and thriving home located in the old convent at Saint Pascal Church in Chicago’s Portage Park neighborhood. The Salesian Sisters of Mary Immaculate are celebrating the first year of their ministry in the Archdiocese of Chicago at Monica’s House. Two Sisters, Sister Maria (photo left) and Sister Annie John (photo right), are living in the home, serving as a visible sign of hope and God’s love, while participating in the life of the Church and drawing each one she encounters closer to Christ and Our Blessed Mother. The Sisters are serving the residents of Monica’s House and are involved in parish life at Saint Pascal.

The Sisters officially began their ministry on February 11, 2018, the Feast of Our Lady of Lourdes. Aid for Women would like to express our deepest thanks to the Daughters of Saint Francis De Sales, Rev. Paul Seaman and Rev. Elliott Dees for their support in making this dream a reality.

Kaila

Kaila speaks at March for Life Chicago, January 14, 2018 (photo above) — “I was 24 years old, had no place to live and already had a 4 year-old son named Kareem. I was in a desperate situation, feeling hopeless and knew that abortion was an option, but deep in my heart, I knew that I could never do that to my baby. Then to my surprise, I stumbled upon a sign that said “Are you pregnant and need help?” I called the helpline number. The staff took the time to listen to my situation and fears, and I was provided with the support I needed to continue my pregnancy. Thankfully, my son and I were offered a place at Aid for Women’s residential program, Heather’s House.

“Aid for Women took away my fear of not having a safe place during my pregnancy. They became like my family, doing everything in their power to enhance the quality of life for me and my children. I want to thank all of you in the pro-life community for all that you do to help pregnant women and families in need. May God bless you in your continued work!”
Barbara Berens
Our Very First Volunteer

On October 6, 2018, Aid for Women celebrated our 40th anniversary. Barbara Berens (photo above in 1978), Aid for Women’s very first volunteer brings us back to 1978 — “I was feeling so appalled about abortion in our country. So when I saw a call for volunteers in my church bulletin for a new, soon-to-be-opened, pro-life pregnancy center, I felt moved to respond. They were looking for volunteers to answer their crisis hotline. There were about six volunteers who joined to work alongside founders Deacon Tom Bresler, Nancy Corbett, Penny Crowley, Mary Kraychy and Mona Lukas.

“We were all very eager and enthusiastic to start helping abortion-vulnerable women in our community. However, I can say that I was feeling a bit nervous and inadequate to handle what may lay ahead. There I was on opening day, ready and waiting to answer the phone and it finally rang! I know I bumbled my words for several minutes trying to offer the young woman words of support... but then it turned out to be a wrong number. I still laugh about that today.

“In those days, we were really bare-bones. We didn’t offer pregnancy tests, ultrasounds or baby items. We were just there to listen and offer support and encouragement. When I look at Aid for Women today, I am so amazed at how it has grown and how sophisticated it is. We never dreamed that our little organization would come this far!”
Vitae Corps
Live-in Volunteer Staff

Vitae Corps members are recent female college graduates who volunteer by living and working together in community at Aid for Women’s residential programs (Heather’s House and Monica’s House) to help provide our residents with safe and nurturing homes. Vitae Corps members are dedicated to Aid for Women’s pro-life mission and play a vital role in affirming and supporting each mother in her decision to choose life — providing her with the emotional, practical and spiritual support she and her baby need while participating in our residential programs. You are called to stand up for life!
To respect and defend the mystery of life always and everywhere,
including the lives of unborn babies,
giving real help and encouragement to mothers in difficult situations.
You are called to work and pray against abortion.
